**THE MANAGER**

DXOM FM  
Gensan Drive  
City of Koronadal

Sir:

May we request a favor from your radio station to broadcast our **WATER ADVISORY** for the public as follows:

**TO: ALL CITY OF KORONADAL WATER DISTRICT CONCESSIONAIRES**

Please be informed that we will be experiencing low pressure or no water supply starting today **October 11, 2018 Thursday**, due to the preventive maintenance of Mambucal Pump Station.

The following areas will be highly affected:

**Brgy. Zone 4:**

Upper Aurora St.  
Upper Lopez Jaena St.  
Upper Paredes St.  
Mabini St.  
Mabini Extension  
Baldostamon Subdivision  
Estember Heights  
Rizal St.

**Brgy. Sta. Cruz:**

Prk. Masipag  
Prk. Hillside  
Prk. Bayanihan  
Beldad Subdivision  
Prk. Tuburan  
Prk. Nursery  
Esquillo Subdivision  
San Antonio Village Phase 3 & 4  
Amurao Subdivision

**Brgy. Morales:**

Guazon Subdivision  
Prk. Spring Uno  
Reyes Subdivision

**Brgy. Zone 3**

Alunan Avenue

Other areas will also experience minimal low pressure.

We encourage our valued concessionaires to store enough water for their consumption to avoid inconvenience.

Rest assured that the district is taking immediate action to restore its operation in earliest possible time.

Thank you for your usual cooperation.

**The Management**

**CITY OF KORONADAL WATER DISTRICT**

Thank you very much and more power.

Sincerely yours,

**REY J. VARGAS**

General Manager
